The original Zion's Church record, in German script, is in the care of Zion Lutheran church, Womelsdorf, Penna. A micro-film copy is in the library of the Berks County Historical Society, Reading, Penna.

The records were taken mainly from the books of
Rev. Daniel Ulrich,
Rev. Fred. Harman,
Rev. William Hendel.

In some instances, penmanship is very poor, and spelling is often phonetic, resulting in some differances in the same family name.

Christ Lutheran Church, also known as "Long's" or "Christ Tulpehocken", and, Tulpehocken Reformed Church both have records which contain many of the same family names as the Zion record. These churches were in the same circuit, and served by the same pastors.
